PROFESSIONAL PROFILE

Civil engineering student and entrepreneurial e-commerce specialist with approximately 2 years of hands-on e-commerce experience. Holds a Diploma of Civil Engineering and is currently pursuing a Bachelor's degree at the University of Central Punjab (UCP), Lahore. Practical experience in Shopify, dropshipping, product research and Meta advertising, with a business mindset, strong problem-solving skills and a commitment to continuous learning.

E-COMMERCE EXPERIENCE

E-Commerce Entrepreneur / E-Commerce Specialist Shopify & Dropshipping

Approx. 2 years

- Manage end-to-end operations for Shopify stores: setup, customization, order management and customer service.
- Research, select, source and test products; evaluate product-market fit through market, competitor and customer research.
- Create product listings, descriptions, pricing, offers and sales strategies; optimize product and landing pages (basic CRO).
- Plan, run and optimize Meta / Facebook Ads campaigns; test creatives, copy, angles and audiences; track ROAS, CPA, CPC and CTR.
- Develop ad creatives: short-form video and UGC-style concepts, scripts, hooks and calls to action, with AI-assisted image and video generation.
- Coordinate with suppliers and customers; make data-driven decisions to test and scale products.
